Staffing News

We would like to Welcome Rebecca Archer to the Daisy Chain Team. Rebecca is due to start with us on Monday 17th February and will be working in the Pre-school Room alongside Becca and Chloe. Rebecca comes from a local nursery, and has had lots of experience in working in a variety of nurseries.

Christmas Opening Hours 2020

As mentioned in the last newsletter during the Christmas period we had very few children attending the nursery as most children have stayed off with their families during the Christmas period. I spoke to the owner of the nursery and we were looking to get parents opinions on whether parents would rather we closed during the 3 days between Christmas and New Year, and therefore parents wouldn't be paying for those days and the nursery would be open for 51 weeks of the year rather than 52. We have had a few parents reply to this, but would love to have a little bit more feedback from a few more parents before we can make a decision. Therefore, if you haven't spoke to me about it could you please either see myself (Sam) or Cristie, or email the nursery by Friday 21st February with your feedback on this please? Thank you.

Safer Internet Day

Tuesday 11th February is 'Safer Internet Day'. We have decided that as our children do lots of different session's we will be doing a 'Safer Internet Week' from the week of the 10th February 2020. We will be reading stories to the children about internet safety, and doing a few activities about staying safe online. If you would like more information on keeping your child safe online here are a few internet sites for more information and activities:

We promote equal opportunities by:

- Ensuring staff have full awareness of our policies in regards to equal opportunities through induction and training. On-going training re-enforces this.
- Ensuring anti discriminatory practice is dealt with immediately and effectively.
- Training staff to value and promote diversity and to be positive role models.
- Ensuring that in everyday practice all children are catered for equally and that each child has a genuine opportunity to participate.
- Actively recruiting staff from both sexes and with different cultural and lingual backgrounds.
- Ensuring a diverse provision of activities and celebrating events from all cultures.
- Promoting and valuing diversity and differences through resources such as posters, jigsaws, books, role play and small world toys. In addition providing activities which are non-stereotypical and ensuring that all children are encouraged and given the opportunity to participate regardless of gender, race, ability or culture.
- Encouraging children to value and respect others and diversity, creating an environment of mutual respect.

We strive to continually monitor, review and evaluate the effectiveness of our practice to ensure the provision of inclusive care and education at all times.
