Whilst with Alexander, Daisy met lots of Alexander's family, including his Grandparents and Alexander's 2 cats. Daisy also joined them on a trip to Nottingham to meet Alexander's new cousins.

Whilst with Ava Daisy went to a birthday party at soft play, Daisy loved going down the slides with Ava. Daisy also made cakes with Ava and met Ava's grandparents chickens!

Daisy Dog can't wait to go home with another friend now and start some new adventures!

## **Policy Document Reminder**

Each month we re-issue copies of policies from our policy and procedure document for parent's reference. This enables parents to review any changes or updates which may have been made.

Please find attached a copy of our **Equal Opportunities policy** for your information.

## **Equal Opportunities Policy**

At Daisy Chain Day Nursery we ensure that we remain unbiased and anti-discriminatory in our practice to ensure that every child is included and that *“all children irrespective of ethnicity, culture or religion, home language, family background, learning difficulties or disabilities, gender or ability should have the opportunity to experience a challenging and enjoyable programme of learning and development”* (The Early Years Foundation Stage Statutory Framework 2008).

We promote equal opportunities by:

- Ensuring staff have full awareness of our policies in regards to equal opportunities through induction and training. On-going training re-enforces this.
- Ensuring anti discriminatory practice is dealt with immediately and effectively.
- Training staff to value and promote diversity and to be positive role models.
- Ensuring that in everyday practice all children are catered for equally and that each child has a genuine opportunity to participate.
- Actively recruiting staff from both sexes and with different cultural and lingual backgrounds.
- Ensuring a diverse provision of activities and celebrating events from all cultures.
- Promoting and valuing diversity and differences through resources such as posters, jigsaws, books, role play and small world toys. In addition providing activities which are non-stereotypical and ensuring that all children are encouraged and given the opportunity to participate regardless of gender, race, ability or culture.
- Encouraging children to value and respect others and diversity, creating an environment of mutual respect.

**We strive to continually monitor, review and evaluate the effectiveness of our practice to ensure the provision of inclusive care and education at all times**
